THE VEERNI SANSTHAN

Newsletter – 1st Quarter

April 2024 to June 2024

Annual Exams Conducted:

During the recent quarter, the Veerni girls took their annual exams. These exams occurred from mid-March to Mid-April. For board classes (grades 8, 10, and 12), the state education board assigned specific examination centers. The Veerni girls were transported to these centers via buses arranged by the school management. Simultaneously, non-board classes (grades 6, 7, 9, and 11) conducted their exams at Modern Senior Secondary School. Throughout the examination period, the dedicated staff at Veerni Institute supported and guided the girls, fostering an encouraging and motivating environment.

Summer Vacation:

The summer vacation started from May 14th, 2024 to June 27th, 2024, all the girls were sent home with their parents. Before the girls left for their homes, the Veerni team gave them some essential items to take with them. The items included: - Delicious sweets to enjoy with their families Sanitary napkins and medicine to take care of their health and hygiene Study material to continue their learning and revision.

New Academic Session Commences at Veerni Associate School

We are delighted to announce the commencement of the new academic session for the year 2024-2025 at Veerni Associate School. As we bid farewell to the annual examinations held in March, our students eagerly step into a fresh year of learning and growth.

Veerni's Ongoing Partnership with Modern Senior Secondary School

Veerni continues its fruitful association with Modern Senior Secondary School. This collaboration ensures that our students receive quality education and holistic development opportunities.

Class Start Dates:

- Class V and VII: The new session for these classes began on April 3rd.
- Class VIII: Students of Class VIII commenced their academic journey on April 12th.
- Classes IX, X, and XII: These classes started their sessions on April 15th.
- Class VI and XI: Their academic year began on July 1st.

Rejoining Veerni Institute:

All our girls rejoined Veerni Institute on June 28th and resumed school from July 1st. We look forward to a year filled with learning, exploration, and meaningful experiences.

Distribution of School Kits:

The school kits containing books, school bags, notebooks, stationery, and subject-wise study material have been provided to all the girls by the Veerni team.

Entrance Tests for New Admissions

Veerni is thrilled to welcome new girls, this year, we received a tremendous response with over 500 applications for just 16 open seats. To ensure a fair selection, we conducted entrance exams in May 2024. After careful review, 30 girls were shortlisted for interviews, where we met with both the girls and their parents.

The interviews were an opportunity to assess the girls' academic potential and the parents' commitment to their daughters' education. We were impressed by the enthusiasm and dedication of both the girls and their families. Ultimately, 16 exceptional students were chosen to join Veerni's Modern Senior Secondary School program.

To equip them for success, we provided each new student with a comprehensive school kit. This kit includes everything they need, from textbooks and notebooks to stationery and subject-specific study materials.

Health Care Activities:

At Veerni, the well-being of our girls is our top priority. Here's how we ensure they stay healthy and active:

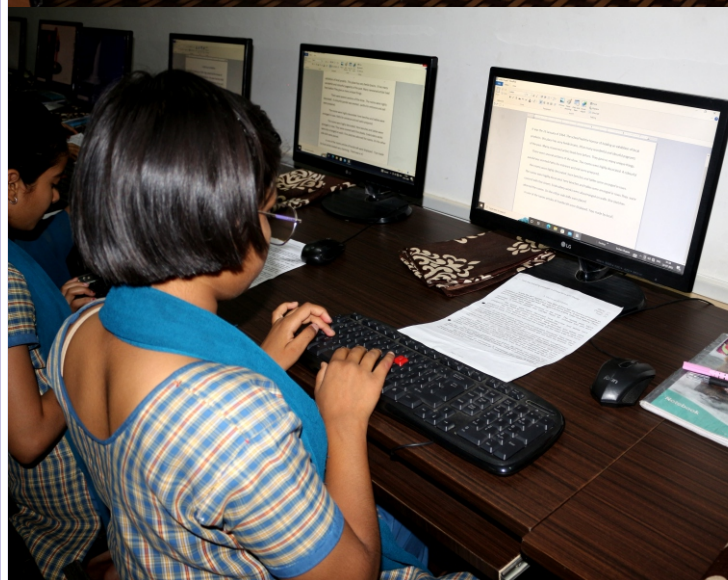

- **Regular Check-Ups:** Dr. Deora visits our facility every week for check-ups, and Ms. Vimlesh provides daily care for the girls. This ensures any health concerns are addressed promptly.
- **HPV Vaccination:** In April, Veerni organized an HPV vaccination camp for 11 girls in grade 7 (aged 11-13). This important vaccine helps protect against cervical cancer. They'll receive their second dose in October.
- **Hygiene Essentials:** On April 8th, we distributed hygiene kits to all the girls. These kits contain essential items like hair oil, soap, shampoo, toothpaste, and sanitary napkins, promoting good hygiene practices.

By focusing on preventive care and providing necessary resources, we empower our girls to stay healthy and confident throughout their time at Veerni.

Computer Classes:

In April, we restarted computer classes for the Veerni girls. Under the guidance of qualified instructor Mr. S. P. Hatila, the girls are learning essential computer fundamentals like typing, using MS Paint and Office Suite programs (including MS Word, Excel, and Notepad). These evening classes at 5:00 PM provide a dedicated space for the girls to explore the exciting world of technology and develop practical skills that will benefit them in their studies and future endeavors. Equipping our girls with computer literacy empowers them to navigate the digital world confidently and opens doors to future academic and career opportunities.

Parents Meetings:

Following parents' meetings were held during this quarter, during the parents meeting, Veerni team Informed parents about their daughters' progress and achievements.

Daily Sports Activities

Veerni offers daily sports activities for all Veerni girls at 5:30 PM. Led by our qualified physical education teacher, Mr. Maan Singh, these sessions provide a fun and energetic way to unwind after a day of learning. The girls not only develop their physical fitness but also build teamwork and sportsmanship skills, all while enjoying themselves in a supportive environment.

Educational Tour:

On May 2nd, the girls from grades 7 and 8 at Veerni had a fun and educational trip to the Science Park in Jodhpur. They got to see cool exhibits about space, the human body, and even how things work. It wasn't just looking though - they got to do experiments and play games too. This trip was a great way for the girls to learn new things in a fun and interactive way. They all came back excited to share what they learned with their classmates.

Celebration of Birthdays

At Veerni, we believe in celebrating every milestone, big or small. That's why we make each girl's birthday a special occasion. We organize a heartfelt celebration in a warm and joyous atmosphere, where all the girls come together to sing, share cake, and shower the birthday girl with love and best wishes. These celebrations not only acknowledge individual achievements but also foster a sense of belonging and community within the Veerni family.

Veerni's Career Counseling Event

At Veerni, we're committed to helping our girls discover their ideal career paths. On April 1st, we organized a special career counseling event specifically for those interested in nursing. A lively group of girls from grades 10, 12, and our nursing program embarked on an informative trip to the iSTART office in Jodhpur.

iSTART is a dynamic website and valuable resource for future nurses like you. From acquiring new skills to expanding knowledge, iSTART equips aspiring nurses for success. Dr. Prince, the founder of iSTART, personally guided our girls through its features, emphasizing how it can shape them into exceptional nurses.

The highlight of the trip was discovering the N-Prep app. Tailored exclusively for nursing students, this app provides comprehensive tools to conquer challenging nursing exams. Veerni celebrates this milestone, knowing that iSTART and the N-Prep app are powerful stepping stones toward our girls' dreams.

Results for the Academic Year 2023-2024:

We are thrilled to announce the outstanding achievements of Veerni girls. Once again, our dedicated students have excelled, with many scoring above 90%. All Veerni girls have successfully cleared their annual exams with impressive percentages. Their remarkable performance fills us with immense pride.
